According to UK Statistics 14 January is the day when most of us will break our New Year Resolutions. Are you one of them?

For the past 7 years I had been using the Action Plans of Tony Robbins and had for the past 4 years managed to achieve 10/12 of those Actions.

By 2016 I wanted a £3m profit in my business – but life takes over.

In later part of 2015 I was very ill and hospitalized 3 times with chest infections and lost my voice.
