

# Cultural differences in Body Image Perception and its importance in Consumer Marketing

Dagmar Skokanova

University of Economics, Prague, Czech Republic

January 4th 2011, Ho Chi Minh City

Grant project:

**“Importance of Body Image in Marketing”**

Grant Agency of the Czech Republic

GACR 402/09/0311 (2009-2011)

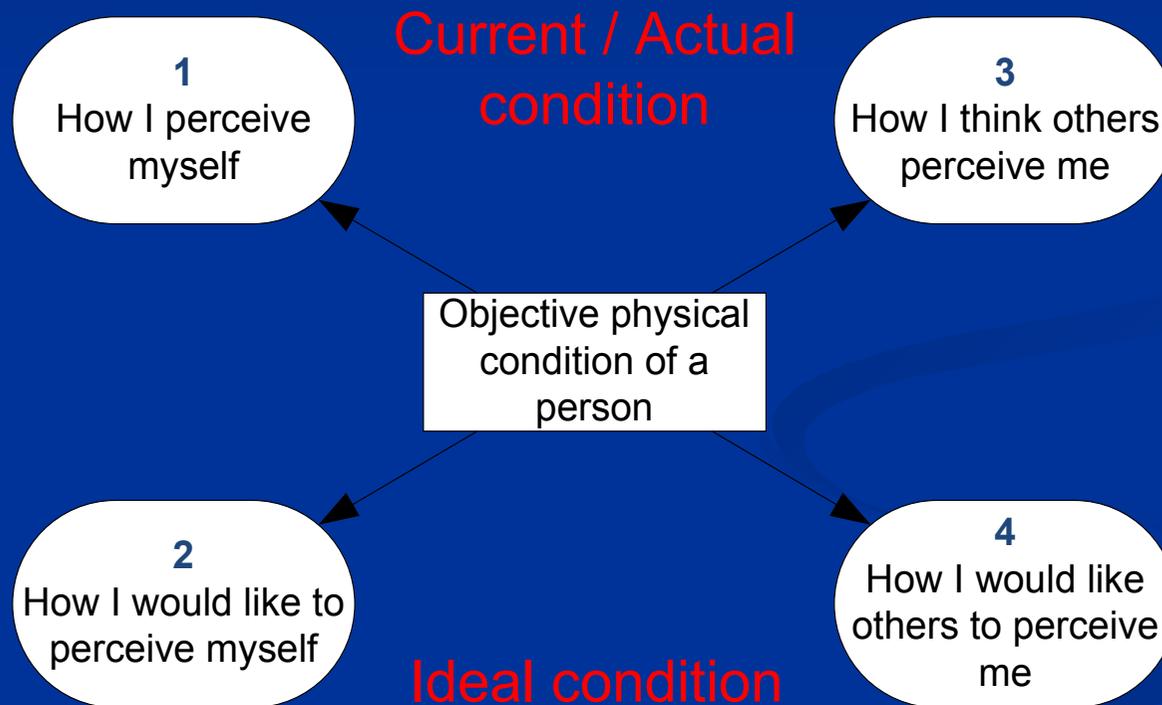

# Definition of Body Image

**Body image** refers to a person's perception of their own physical appearance, usually in relation to some „ideal.“

**Body image** as consumer's subjective evaluation of his physical self. (Michael Solomon)

# Schematic model of Body Image

# Body decorations

- Tattoos
- Body piercing
- Tongue forking
- Henna painting

# Cultural Differences in Body Image perception (China vs US)

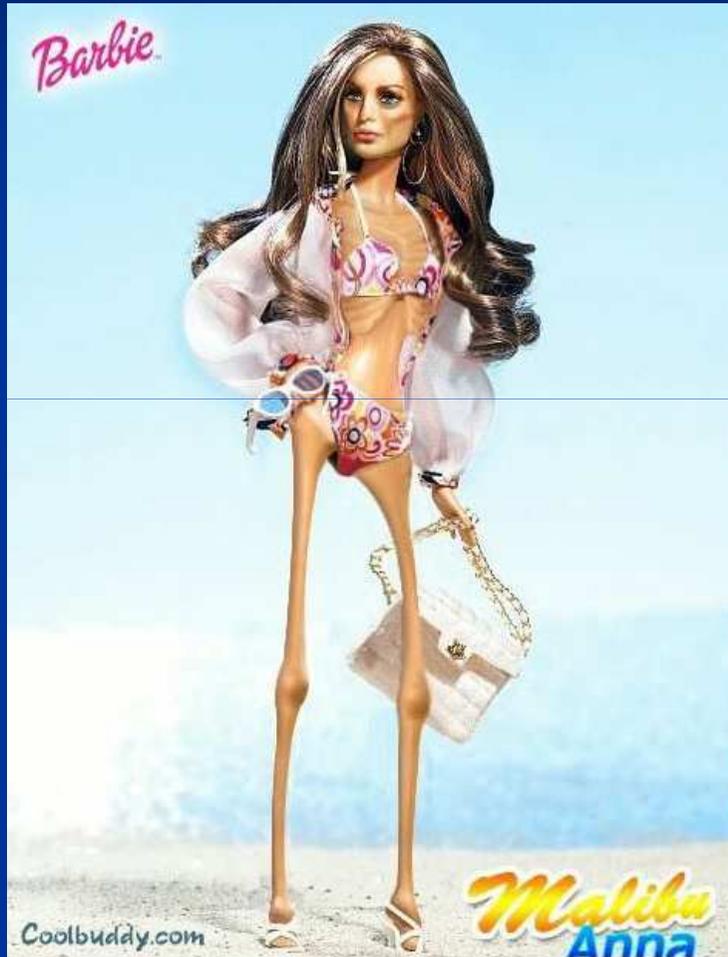

Research explores:

- 1) Questionnaire - the way consumers perceive (ideal) body image in a particular culture (China vs. US)
- 2) Content analysis - the way body image is portrayed in advertising in such cultures (China vs. US)

# Body Image in advertisement

- Increasing interest in one's own bodily appearance
- in evaluating our body, we compare it with other bodies, especially bodies in advertisements

# Problems related to BI advertisement

# Plastic surgery

Source: China Daily, European Weekly: Showing Face: Looks Can Kill. December 3-9, 2010, p.3

# Research Methodology

- Online questionnaire (September 2009 – November 2009)
- 24 questions (Chinese and English version of Questionnaire)
- N = 220 (Chinese respondents)
- N = 254 (American respondents)

# Body Image Parameters:

- Size/shape of eyes
- Size/shape of lips
- Skin complexion
- Body shape
- Body ornamentation  
(tattoo, piercing)

*Popular stereotypes*

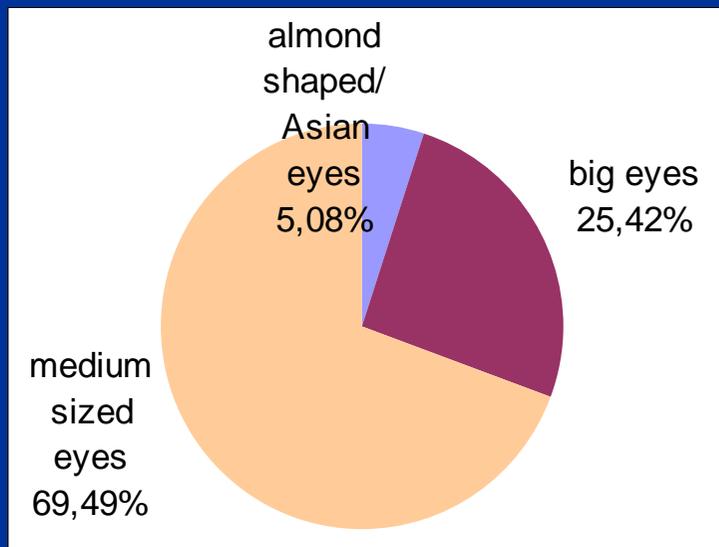

Most attractive eyes on women?

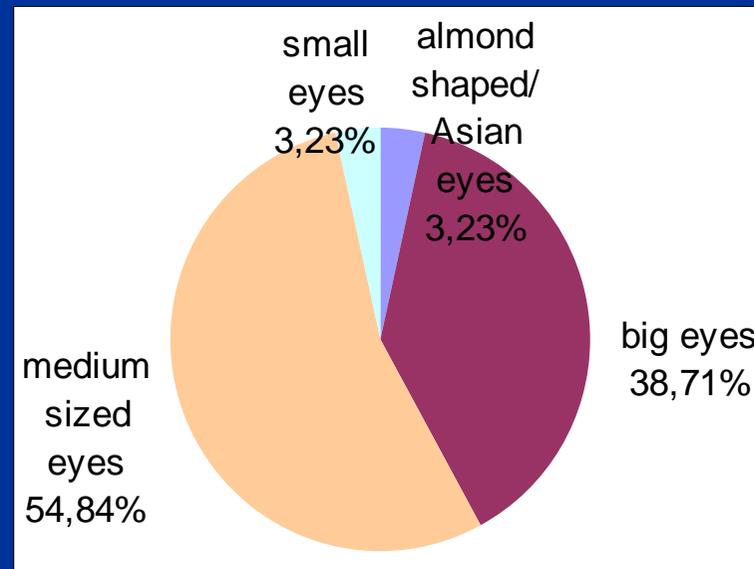

## Research Results

Considering eyes, what kind of eyes do you consider the most attractive on women?

USA

China

*Popular stereotypes*  
**Most attractive lips on women?**

China

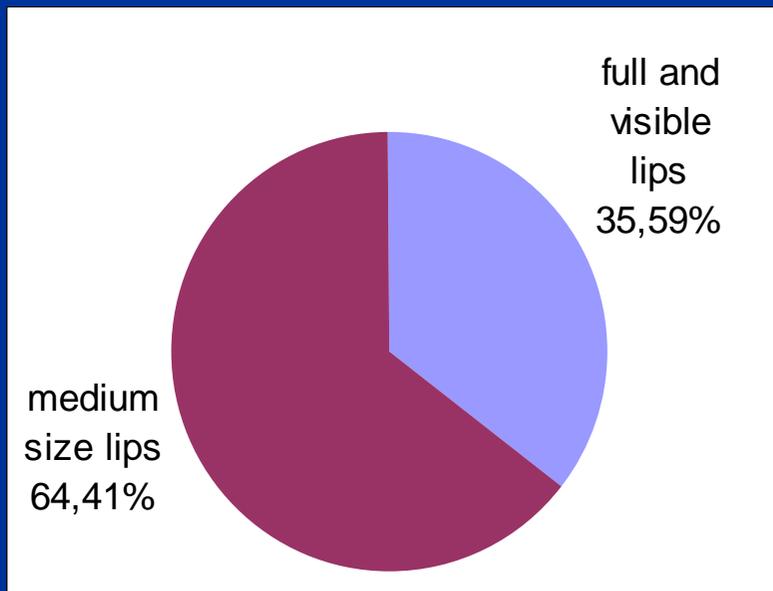

USA

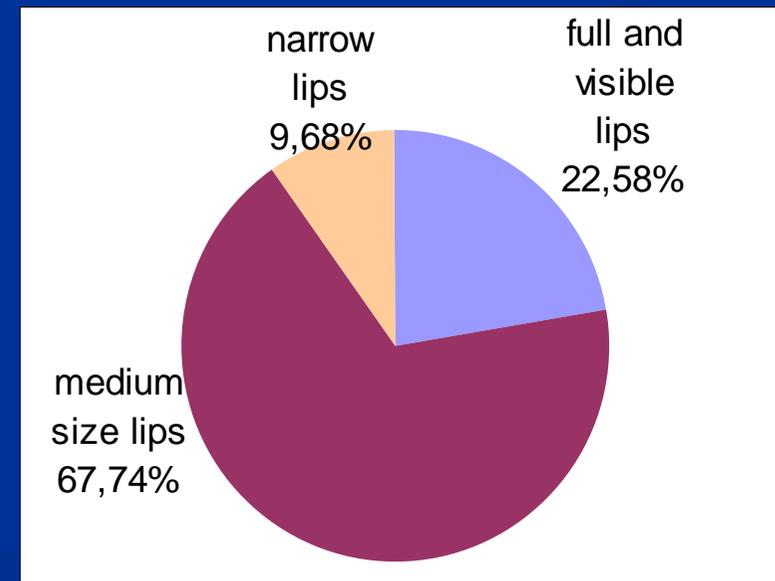

## Research Results

Considering lips, what kind of lips do you consider the most attractive on women?

USA

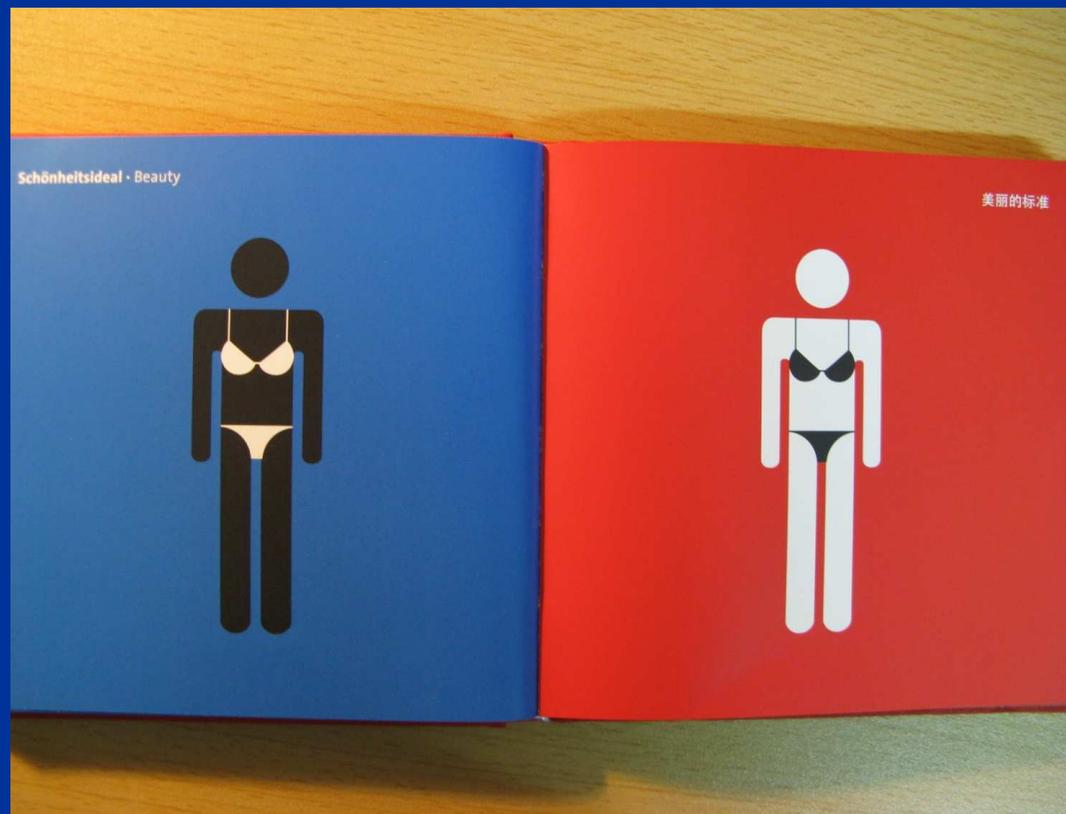

China

*Popular stereotypes*  
**Skin complexion**

USA

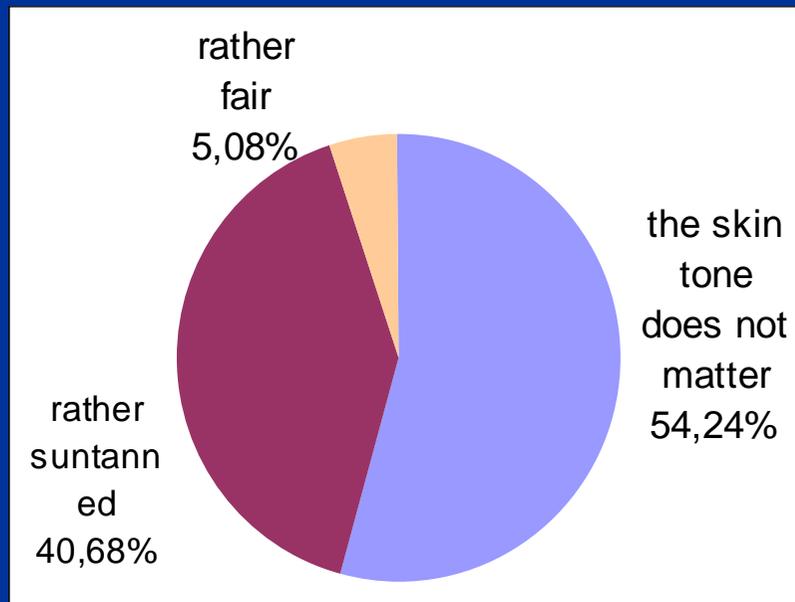

China

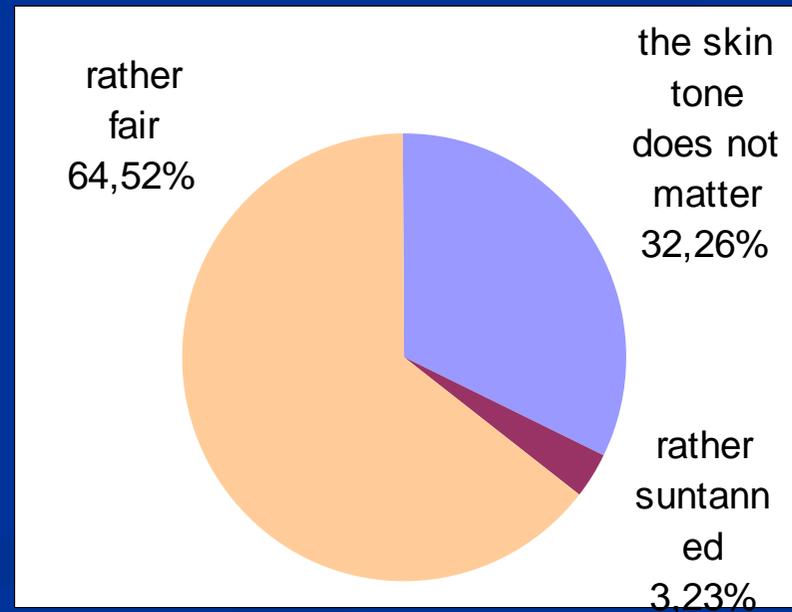

## Research Results

Do you believe that people with the following skin complexion look well:

USA

China

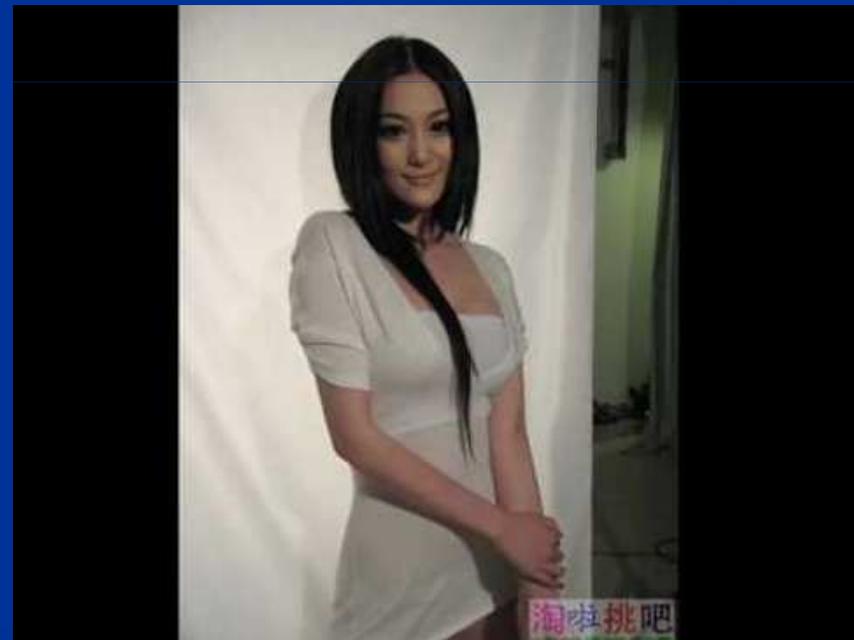

*Popular stereotypes*  
**Body shape**

USA

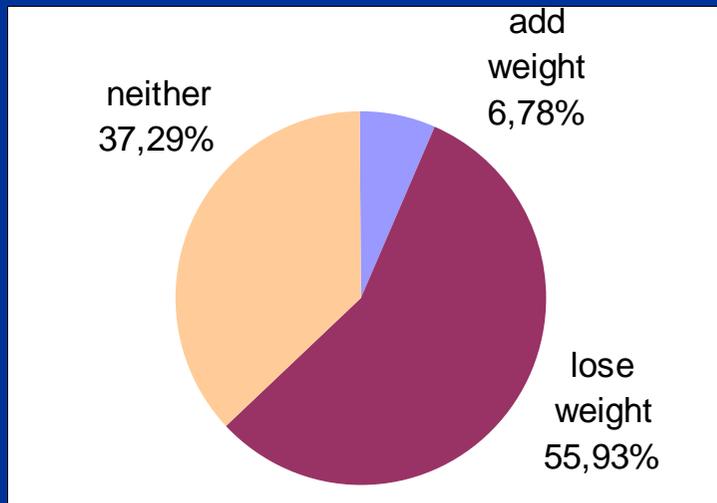

China

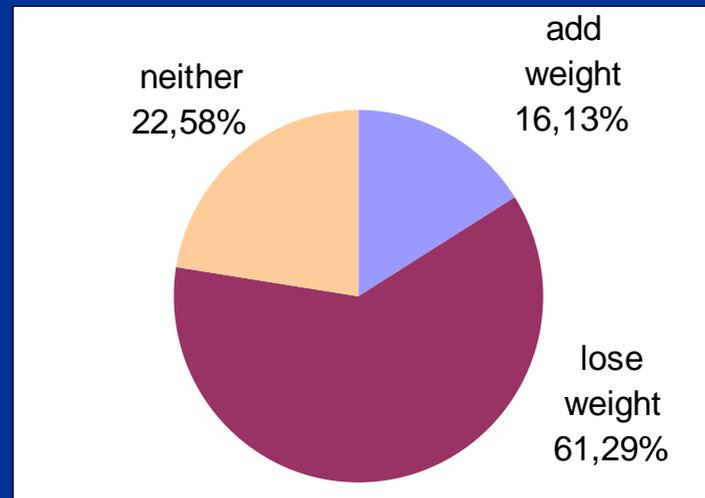

*Research Results*

Are you happy with your body shape? Would you like to:
